A Pre-Visit Guide to Attending
PineCone Performances
at Sertoma Amphitheatre in Bond Park

Take a look at what you’ll see when you visit
PineCone at the Sertoma Amphitheatre at Bond Park!
Accessible parking for Sertoma Amphitheatre is located at the back of the stage. We can access this area via the greenway, just past the Boathouse Parking Lot. When possible, please drop off patrons with limited mobility, and park in the larger lots.

For more information and a map about accessible parking and traveling to the Sertoma Amphitheatre, please use this link.

If we take the bus, we’ll be dropped off at the Senior Center and will have a 5 minute walk to the amphitheater.
At Bond Park, there are two larger parking lots for the concerts: the Amphitheatre/Shelter Parking Lot and Boathouse Parking Lot. There are accessible parking spaces in both, but the Boathouse Parking Lot is closer to the accessible path of travel. The paved path of travel will lead us to the front of the amphitheatre seating.

There is an unpaved path that starts at the Amphitheatre/Shelter Parking Lot and leads down several stairs down to the back of the amphitheater seating.
These concerts are free and are usually from 7:00 - 9:00 PM, with an intermission. We can sit anywhere on the bleachers or we can bring chairs and sit at the back. During the concert, we’ll hear musicians play instruments and sing.

All events at Sertoma Amphitheater occur rain or shine. Concerts may move to the Kiwanis Shelter.
In the event of bad weather, call the Town of Cary (919-469-4061) or check the Weather Status Page. Messages are updated at least two hours prior to event.
The restroom is close by, at the edge of the Sertoma Amphitheatre Parking Lot.

A family restroom is available.
If we have extra time before the concert, the Lazy Daze playground is across the street from the Sertoma Amphitheater Parking Lot.
We hope you enjoy your visit to PineCone at Sertoma Amphitheatre in Bond Park!

About PineCone
The role of PineCone is to increase the visibility of Piedmont music and musicians and to provide public programs and educational resources about the depth and breadth of cultural expression in the region today. PineCone supports the livelihoods of working artists, inspires and connects fans, educates youth and adult audiences, documents traditions, and provides opportunities for musicians to learn from one another.

About PineCone in Cary
PineCone has a long and successful history of working with community partners to present FREE concerts in venues throughout the region. PineCone collaborates with the Parks, Recreation, and Cultural Resources Department of the Town of Cary to offer concerts at Sertoma Amphitheatre in Bond Park, and occasionally at the Cary Arts Center and even at Koka Booth Amphitheater, in addition to the popular Bluegrass Camps for Youth at the Page-Walker Arts & History Center.
